

## Exhibit Sliding Doors Display Case

Display information safely in high-traffic areas using this wide lockable option with sliding doors

### DESCRIPTION

Exhibit Sliding Doors was designed with aesthetics to fit any modern space.

The magnetic surface is ideal for holding documents with magnets and can also be used to write messages. With cork or felt surfaces messages and documents can be fixed with pins. It is supplied with tempered glass doors and a great asset to be used in corridors, lobbies, and other high-traffic areas. As doors don't open to the passway, displayed materials can safely be updated. The product comes with 2 keys so that a spare key is kept in a safe location, in case one is lost.

SLIDING DOORS

LOCKABLE

USE WITH PUSHINS OR  
MAGNETS

READY FOR  
WALL MOUNT
