

## Earth Magnetic Whiteboard

Value Sustainability with this magnetic whiteboard option

### DESCRIPTION

This C2C certified professional and ecological whiteboard is the top solution to write and erase intensively. The vitreous enamel magnetic surface is suited for intensive use. It is made from sustainable and recycled aluminium and grey corners that are used to mount the product and hide the screws with caps.

Steel core and aluminium are mostly made of post-consumer and post-industrial waste and the product is recyclable. The aluminium pen tray and wall fastening kit are included and you can mount it horizontal or vertically.
