

Magnets

A powerful asset to display information in public buildings

DESCRIPTION

Magnets are a versatile tool that can be used for a variety of purposes. From holding notes on the fridge to creating a custom whiteboard, magnets are a must-have for any school or office. Easily hold notes or other papers and keep them visible on whiteboards or display cases. Our magnets come in a variety of colors and sizes and are easy to apply and remove, allowing to change up notes and information frequently.
