

Mobile Duo

Mobile whiteboard with noticeboard on reverse

DESCRIPTION

Mobile Duo is a clever solution to limited spaces where another writing or display surface is not fitting. Easily wheeled between rooms, this product allows the users more versatility. The mobility lets the group free to quickly change the class layout and be more collaborative. The height adjustment feature is ideal to adapt the surface according to the users.

The board included in this model is double-sided and therefore can be used on both sides simultaneously.
