

## Revolving Mobile Board

Sturdy double face mobile board designed for school environments

### DESCRIPTION

Collaborative learning spaces often include mobile boards that allow the room to easily reconfigure in groups. These dynamic spaces foster creativity, teamwork and communication also have safety concerns. The **Revolving Mobile Board** was designed to comply with EN14434 quality requirements and includes a premium double side surface, a wide pen tray and locking casters. The rotates horizontally and the handles lock it in any convenient position.
