

Maya Education Whiteboard

Slim Whiteboard EN14434 for Education

DESCRIPTION

A whiteboard is a perfect tool to equip the classroom making communication available to the whole group and enabling those dynamic collaborative tasks often happening during lessons. Designed to meet EN14434 requirements for use in Education facilities, this board has a high-quality steel enamel writing surface.

The Maya Education Whiteboard comes with a wide full-length pen tray with plenty of space to hold the board eraser and several markers. The surface is resistant to scratches and ghosting and also accepts magnets allowing the users to display paper sheets during presentations.
